

①

* Political System of U.S. :-

Which is the best Political System in the world?

- Democracy.

Why?

- B/c correct/best policy can be formulated only in open society.

No other country in the world other than U.S & U.K. can afford to be Democratic in the real sense of the term.

Why?

- B/c of Revenge of Geography. Because they all are situated in Unfriendly neighbourhood. State can't afford to be Democratic. They have to have strong Surveillance System.

* Economic System of U.S. :-

No other country in the world other than U.S & U.K. can afford to be Free market Economy to the extent these countries can be. most efficient system of Product.

Why Russia can't go for Free Market Economy?

" India " " " " " ?

" China " " " " " ?

— Regional Imbalance.

Whenever there is a reasonable imbalance, state has to play the role of distribution.

What is the problem when State intervene in the Economy ?

Corruption will eat the Resources.

Ideational Power / Cultural Power :-

(2)

American Culture is the most Seductive Culture in the world. No other country have such a Soft Power. & capacity to project it.

Soft Power of U.S.A comes from its values like Democracy, Human Rights, It comes from its Educational Institutions. — Hollywood, Silicon Valley.

How U.S.A establish its Hegemony ?

- In order to do something Successfully, the most imp. thing is time to understand the moment.

The best time to tell about once power is when
Enemies are at their worst.

U.S. Hegemony on the world got establish after W.W. IInd.

* IInd Phase :- Since the End of Ist World War —
beginning of IInd World War.

Q) How U.S. could establish its Hegemony ?

Hegemony would require both Carrot & Sticks.

i) U.S. benefitted out of the two World Wars.

The Economy of European Nations was completely destroyed.

The demands for U.S. goods increased.

ii) The only way Western Countries could fulfill their requirements was by exchanging the Commodities with Gold. Thus the maximum Gold of the world went to U.S.A.

This provide the real strength to U.S. Dollar.
It also allows Dollar to become the Global Reserve Currency.

iii) U.S. establish ^{Bretton}~~Bretton~~ Woods Institution.
↳ Institution for U.S. Hegemony.

a) IMF:-

- Provide short-term liquidity to address the BoP crisis's.

b) World Bank:-

- for Reconstruction & Development soft loan.

iv) The biggest advantage U.S. had due to W.W.IInd was the presence of U.S. Navy on all important ports in Europe. U.S. never took the Naval forces back. Thus, W.W.IInd gave opportunity of Containment of European States.

v) Later on, U.S. formalised the Defence Agreement in the form of NATO (1949).

• Purpose of NATO:-

- A/c to U.S. military Official, Lord Ismay -

"The purpose of U.S is to bring Americans in Germans downs, Russian Out."

U.S.A also built the multilateral Institution for the peaceful resolution of dispute - UN.

Thus, UN ^{Bretton}~~Bretton~~ Woods Institution provided the bases to establish Global Hegemony.

* COLD WAR *

Q) What is the Cold War?

The term Cold War was coined by American Scholar - Bernard Baruch.

However, it was popularised by Walter Lippman.

Cold War has all the elements of war, except the direct military confrontations b/w the two major adversaries.

Though there have been occasions when they reached to Eye-to-Eye situation.

i) Berlin blockade (1948)

ii) Cuban Missile Crisis (1962).

Hence, there was always a possibility that Cold War will get converted into Hot War.

Whether Cold War was entirely Cold?

No, it had its Warm & Hot faces.

↓
Proxy Wars.

Eg of Proxy Wars:-

a) Arab - Jewish Wars.

b) India - Pak Wars.

c) Korean War.

d) Vietnam War.

e) Afghanistan War.

What ensured that Cold War does turn into full fledged Hot War? -

- A/c to Kenneth Waltz, Nuclear weapons played the Role of Coolant.

What ensured the Strategic stability at the Global level during Cold war.

- Deterrence - it was based on MAD
↓
(Mutually Assured Destruction)

i) The term Cold War has been used to describing the State of Relation b/w U.S.A and U.S.S.R ~~from~~ till 1991.

ii) Since, Cold War impacted almost every place in the World. Hence, Cold War is also used to define a World Order.

Q) Whether Cold War was inevitable?

- ~~At~~, There are two schools of thought :-

a) Determinist (Realist & Geo-political Scientist).

↳ a/c to determinist Cold War was inevitable.

The Reason for inevitable was Idealist.

b) U.S. Hegemony & Approach of Containment.

Alternative Perspective (-Social Constructivist) :-

↓
A/c to Social Constructivist,

Cold war is a mis-understanding, Mis-calculation, & Mis-opportunity. It means it could have avoided.

* When Cold War Started ? ! -

The most unique thing about the Cold War is that it has no fix beginning & no fix Ending date. Still, it is customary to trace the origin of Cold War to 1917, October Revolution / Russian Revolution. It established Communism in Russia.

Why this date ?

- B/c one way to describe Cold War is in terms of Ideological battle b/w the two Universalists ideologies.

However, there are also alternative explanations. From the perspective of Geo-politics, ideologies didn't play much Role. The Geo-Political interest of the two conflicted with each-other. That's why the tensions b/w U.S. & Russia still continue.

What is the Geo-political Compulsion that the two countries are always in the state of Confrontation ?

Geo-Political Compulsion of U.S.A is to prevent the Rise of any Eurasian Power. On the other hand, the Geo-Political Compulsion of Russia is to expand.

* What is Russia ? -

Russia is bear. It means no one loves the hugs of the bear.

Russian neighbours never want to be under the influence of Russia. Russia had historical confrontations with the neighbours. Russians have always imposed themselves on the neighbours.

Q) What are Geo-Political Compulsions of Russia?

- The Geo-Political Compulsion of Russia is to expand, & to see itself getting collapsed b/c of Expansion.

Russia is called as, "Weak Great Power".

What is the Weakness of Russia? -

- i) Geography
- ii) Economy.
